

CHANGE IN FILE STATUS  
APPROVAL FORM

DATE November 3, 1986

CURRENT FILE NO. ACT/003/005

RECOMMENDED FILE NO. DOE/003/006<sup>007</sup> and ~~INA/003/005~~

COMPANY AND MINE NAME Thomas Miller, Vipont Mines, LTD.

REASON FOR CHANGE IN FILE STATUS

Vipont mines in<sup>S</sup> currently operating a heap leach of old tailings under an approved DOE and should be filed accordingly. The proposed open pit operation has been given the file number PRO/003/008 and should be considered seperately from the DOE at this time. It maybe necessary to shift DOE/003/006 back into file ACT/003/005, if Mr. Miller decides to continue operating the existing heap leach when the new noncoal rules go into effect.
